Welcome to Bethlehem Christian Academy & **Ball 4Life's** Inaugural Summer Basketball Skills Clinic and congratulations on the best decision you have ever made for your child. We are delighted to have your child as a participant in our character building basketball clinic and look forward to working with them.

We truly believe the player is a reflection of who they are on and off the court. It is our intention to not only improve their basketball skills, but develop boys and girls of character...the total individual.

**We are Committed to
Excellence in All Things!**

We will have fun, but your child will be challenged and expected to give their very best effort to maintain a high level of intensity, all the time.

If taught properly basketball is an incredible vehicle to share Jesus' character to positively influence & shape our children's lives. **This is Ball 4Life!**
